Only 1 week to go before the **#HEC2022** takes place in Kigali, Rwanda! Together with **@Global Platform for Action (GPA)** **@PracticalAction** and **#NORCAP**, we are looking forward to this conference to provide the humanitarian energy community with an opportunity to reflect on its goals, visions, and its way of doing business in achieving **#SDG7**.

Leave no one behind!

We are just 3 days away from the **#HEC2022!**
Along with **@Global Platform for Action (GPA)**
@PracticalAction and **#NORCAP** we are very
excited to engage in **#HumanitarianEnergy**
discussions. This will inform and inspire
development-humanitarian practitioners with wider
trends in the energy access sector while
connecting with refugees and displaced
communities.

Take part in an Interview during the HEC!

As part of the awareness-raising campaign on humanitarian energy, interviews with the in-person participants will be organized. It will **take about 5 minutes** during the HEC and will simply consist of answering **one** of the general questions on humanitarian energy either from the suggested questions (see the suggested questions below) or one that you suggest.

If you are interested in doing an interview, please contact Sadiq (Sadiq.ZAFRULLAH@unitar.org) or Alexandra (Alexandra.KASEL@unitar.org) to schedule it throughout the Humanitarian Energy Conference (HEC) day.

After your participation and once edited, we will share the interview on our social media channels and on the GPA website **after the HEC**.

Suggested questions:

1. Why is humanitarian energy important?
2. What is your recommendation for access to clean cooking in displacement settings?
3. What do you think could be improved in humanitarian energy?
4. What does SDG7 in displacement settings mean to you?
5. What is your wish for humanitarian energy in 2030?
6. What is your key message for achieving SDG7 in displacement settings?
7. What are your main lessons learned regarding energy access in displacement settings?

If you are participating virtually...

- You can use the virtual background to promote the event.
- Feel free to add your organization's logo on it.
